

San Fernando Race 09

CHANGES TO SAILING INSTRUCTIONS L-NOTICE No1

1.0 **Sailing Instruction**: Delete 25.1 in its entirety.

Replace with:

25.1 All boats shall report their positions when called in alphabetical order by the radio control boat on SSB 4060 kHz. The 6230 kHz frequency may be used by the radio control boat as a backup in the event that boats are unable to communicate on 4060 kHz. In addition to the radio control boat, the Race Committee will designate at least one other boat to help relay positions to the radio control boat.

Issued by 2009 San Fernando Race Committee
